DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 2/9/10 has been entered.

Allowable Subject Matter

Claims 1, 30 and 36-43 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art does not specifically disclose the combination of limitations of claim 40: a method of encoding video content, the method comprising: assigning a predefined content model to a region of interest in video content, wherein the region of interest comprises a rectangular-based region covering less than a full frame identified on a frame-by-frame basis by a first descriptor associated with top left corner coordinates of a first sub-segment in the respective region of interest and a second descriptor associated with a last sub-segment in the region of interest; and encoding at an encoder of a plurality of encoders the region of interest differently from a portion of the full frame not covered by the region of interest based on the assigned predefined content model, each encoder of the plurality of encoders having an associated predefined content model that is different from other encoders of the plurality of encoders, the encoder adding header information

to instruct a decoder of a plurality of decoders how to decode the region of interest based on the assigned predefined content model. Independent claims 1 and 42 are patentable for similar reasons as claim 40.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
